CHOOSE YOUR SETUP

Espresso cart
Our cart, run by a trained barista. We can customize the cart with your brand or client logo. Power nearby is all we need. Fits offices, showrooms, open houses, and tight venues.

Espresso bar on your table
We bring the machine, cups, sugars, flavors, décor, and baristas. You or your planner provide a 6 to 8 ft table with power nearby. We bring the extension cords.

Self-serve coffee bar
Coffee and decaf urns, milk, cups, and signage. No barista needed.

> **Timing:** custom cups, stencils, and signage need about 3 weeks' notice, so reach out early.
